The meeting started with Dr Gurleen Kaur welcoming all members and revisiting the minutes of the previous meeting held on 17th October, 2024.

Proceedings:

1. The principal welcomed the new faculty members Dr Ranjana Gupta (Professor, Radio-diagnosis) and Dr Triptee Agrawal (DM, Neonatology) into the institute and wished them good luck.
2. The demographic details of incoming batch of students of Batch 2024 were shared with the members. Comparison of NEET score of students admitted in other nearby medical colleges was done and it was informed that our institute was getting students with higher NEET ranks than other nearby colleges. The

principal stressed the HODs to improve the quality of teaching so that the marks of these students is reflected in their university results also.

3. The principal also shared information regarding the number of medical colleges in India and Haryana and new colleges opening in nearby areas.
4. The academic calendar of each batch of the undergraduate and post graduate students was also discussed. It was informed that 3 batches of undergraduate student shall be having their university examination in the next two months. It was also informed that final post graduate examination for Batch 2021 shall be conducted in the month of January, 2025. The practical examination shall be conducted in 2nd half of January. All the heads were requested to be prepared for any physical/ online PG inspection during the practical days of examination.
5. It was also informed by the principal that after continuous efforts from the institute side, NMC has sent our information to ECFMG for final certification of our institute. We are now waiting for final certification so that our graduates become eligible to appear in the USMLE examination.
6. The principal apprised all members regarding the events/CMEs/Workshops held since last college council meeting.
7. New equipment/ machines added in the hospital infrastructure were also informed.
8. Dr Guntas Gill, Medical Director, informed all that refurbishment of many departments in medical college building was due and the same would be done in the coming year.
9. The principal also informed that alignment and integration (AIT) was being implemented in all the batches and to streamline the same, AIT incharges for each phase have been designated.
10. It was informed to all that Elective posting for Batch 2021 was going to be held in February, 2025. All the heads were asked to arrange for the conduct of Elective postings as per the latest NMC guidelines.
11. Dr Parmal Saini, Head, Examination Cell, urged all members to be present for the first 30 minutes during mid-term/send-up examination of their respective subject departments. He also requested that the clerk of the respective department to be there to take attendance of the students and collect their answer sheets at the end of examination.
12. Dr Gursatinder Singh, Medical Superintendent, apprised all about the hospital statistics, the trends in hospital regarding the OPD/IPD patients, inauguration of new Septic OT. He lauded the efforts all clinical departments in increasing the number of patients. He specially congratulated the efforts of Gynae deptt, headed by Dr Satwnat Kaur, in increasing the number of deliveries.

The meeting ended with vote of thanks by the principal.
